“Odd Nansen not only **saved my life**. He also enriched it with his philosophy of life”

*Professor Thomas Buergenthal, Nansen Rescuer*

Please join us for our 14th Annual Community-Wide Kristallnacht Commemoration. This year, we will honor the conscience and heroism of Odd Nansen, who financed and operated an orphanage for Jews who faced imminent death in Nazi-occupied Europe.

## PROGRAM HIGHLIGHTS:

- U.S. Senate Commendation presented by Senator Richard Blumenthal to the Nansen family.
- Comments by Timothy Boyce, Esq., re-publisher of “From Day to Day,” the secret diary of Odd Nansen.
- Interview of Prof. Thomas Buergenthal, Nansen rescuer, by Rabbi Alvin Wainhaus
